

Minors Identification Documents (less than 18 years old)-can use a picture of any item below

- **Birth Certificate:** This is a fundamental document that verifies the identity of a minor.
- **Social Security Card:** Often used in conjunction with a birth certificate.
- **School ID:** Many schools issue IDs to students, which can be used as a supplementary verification document.
- **Health Insurance Card:** If the minor is covered under a parent's health insurance plan, the insurance card can help verify their identity.
- **Parent/Guardian Government ID:** A parent or guardian's government-issued ID can be uploaded alongside the child's documents to verify the relationship.
